### About Surrendered School of Dance

As a dance school, we are different from other studios in that we go against the mainstream norm of the dance world by utilizing family friendly music, promoting modesty, self-worth, and inclusivity in a professional non-competitive atmosphere.

We strive to help students become the best dancers that they can be while doing so in a loving and nurturing environment. As our studio is not competitive in nature, we challenge each student to reach their fullest potential as a dancer and to do so in a healthy and safe manner.

Surrendered School of Dance is the dance school of Paradosi Christian Ballet Company, a faith-based 501(c)(3) nonprofit organization.
